KYRGYZAERONAVIGATSIA
Aeronautical Information Service

720062, Airport "Manas", Bishkek, Kyrgyz Republic

AIC
A 02/16
04 MAR 2016

**Ministry of Transport and Communications
Civil Aviation Agency**

This AIC cancels AIC KR A02/15.

From the 1st of February 2016 the following Airport Service Charges are valid.

The following aerodrome charges are established and collected at the international aerodromes of the Kyrgyz Republic:

- take-off/landing charge;
- parking charge;
- passenger service charge;
- aviation security charge;
- charge for passenger terminal use.

1. "MANAS", "OSH", "ISSYK-KUL" INTERNATIONAL AERODROMES CHARGES

1.1 TAKE-OFF/LANDING CHARGE

1.1.1 Take-off charge/ landing depends on aircraft's maximum take-off weight indicated in its official documents.

1.1.2 The charge for take-off and charge for landing is calculated on the basis of 18 USD for each ton of the maximum take-off weight of all aircraft types carrying out flights along the international airways.

1.1.3 Take-off/landing charges are applied by aircraft groups following these coefficients:

- helicopters - 0,5;
- aircrafts up to 12 tons inclusive, performing regular flights – 0,6;
- aircrafts over 12 tons – 1,0;
- aircrafts over 200 tons – 1,1

1.2 PARKING CHARGE

1.2.1 Standard free of charge parking time is established:

- 3 hours for passenger flights
- 6 hours for cargo flights

1.2.2 Amount of charge for exceeding standard free of charge parking time is defined at the rate of 15% of the charge sum raised for take-off/landing for each day. Besides, each incomplete day is regarded as a full one. Time reckoning begins after 3 hours for passenger flights and after 6 hours for cargo flights since landing and installing the chocks.

1.3 PASSENGER SERVICE CHARGE.

1.3.1 The charge of 11 USD is established for passenger services, for check-in and boarding of departing passenger (not using technical means or vehicles) and baggage handling.

1.3.2 Children from 2 till 12 years old shall pay 50% of the charge, established for adult passenger (12 years and older).

1.3.3 For children under 2 years old the charge is not taken.

1.4 AVIATION SECURITY CHARGE

1.4.1 Aviation security charge from the aircraft within the aerodrome is established at the rate of 33% of the charged sum for landing / take-off of aircraft for each day from the moment of landing. Incomplete day is regarded as a full one.

1.5 CHARGE FOR PASSENGER TERMINAL USE.

1.5.1 Charge for passenger terminal use is established at the rate of 9 USD for each departing passenger (12 years and older).

1.5.2 Children from 2 till 12 years old shall pay 50% of the charge, established for adult passengers.

1.5.3 For children under 2 years old the charge is not taken.

1.5.4 The present charge is not taken for:

- transit passengers, who continue flight on the same aircraft that arrived to airport;
- passengers of search and rescue services flights.

1.6 THE ADMINISTRATIVE CHARGE.

1.6.1 The administrative charge at the rate of 15 USD is collected from the Carrier for each passenger departing by international flight from the "Manas", "Osh", "Issyk-Kul", "Karakol", "Batken" international airports.

1.6.2 The administrative charge is not taken for children under 2 years old.

1.7 EXEPTIONS AND REDUCTIONS.

1.7.1 Charge for exceeding standard free of charge parking time is not taken from the aircraft, forced to delay the flight because of weather conditions and technical reasons.

1.7.2 Air carriers performing training and test flights, landing for technical reasons and weather conditions, as well as for aircraft delivering humanitarian aid, shall pay for taking off/landing and parking at the rate of 50% of the established charge.

1.8 PENALTY PROVISION

1.8.1 For the aircraft, arrived without permission, the charges for ground handling shall be increased by 1.5 times.

2. METHODS OF PAYMENT

2.1 The payment should be made in national currency of Kyrgyz Republic or US dollars or other currency in accordance with the currency rate of the National bank of Kyrgyz Republic on the day of payment.
